

ARMY & NAVY

TRAINING TIME BUSY ONE FOR 1ST INFANTRY

Following is the schedule of garrison training for the 1st Infantry, U. S. A., Schofield Barracks, as outlined in a general order from regimental headquarters:

1st Battalion—Preliminary instruction range practice, July; range practice, August, Company instruction per week, five days in May, four days in June, three days in September and four days in October. Battalion instruction per week, one day in June, one day in September and one day in October. Regimental instruction, days per week, one in September and one in October.

2d Battalion—Preliminary instruction, range practice, May; range practice, June; company instruction, days per week, July 5, August 4, September 3, October 2. Battalion instruction, days per week, September 1 and October 1.

3d Battalion—Preliminary instruction, range practice, June; range practice, July; company instruction, days per week, May 5, June 4, September 3, October 2. Battalion instruction, days per week, August 1, September 1, October 1. Regimental instruction, days per week, September 1, October 1.

Headquarters Company—Preliminary instruction, range practice, July; range practice, August. Company instruction, days per week, May 5, June 5, September 5 and October 4. Regimental instruction, October 1.

Machine Gun Company—Range practice, July. Company instruction, days per week, May 5, June 5, August 5, September 5 and October 4. Regimental instruction, October 1. Instruction of Machine Gun Company in musketry and gun firing will be conducted as prescribed in Par. 19, Page 2, Memo, May 1, 1916, and instruction in musketry by training of men on special duty will be regulated as prescribed in Par. 7 of that memorandum.

During the months not set aside for preliminary instruction for range practice and range practice for respective battalions, parades by battalion: 1st Battalion, Monday; 2d Battalion, Tuesday; 3d Battalion, Wednesday, in September and October, regimental parade, Fridays.

BUSY SUMMER AHEAD FOR 25TH INFANTRY

Orders have been issued from headquarters of the 25th Infantry, Schofield Barracks, outlining the training season, which is to last from May 1 to October 31.

Company, battalion and regimental training, tent pitching, signaling, first aid and bayonet combat, physical training and final inspection at the close of the season will fill in the time with many activities.

The remainder of this month will be used in preparation for range firing. June, July and August will be devoted to company training; September to battalion training; and October to company, battalion and regimental training.

HEARING OF SYLVA ON HOMICIDE CHARGE IS PUT OFF TO FRIDAY

John F. Sylva's name was called in police court this morning for a hearing on the charge of manslaughter in the first degree in the case of Policeman Fred Wright. The case was postponed until Friday.

NAVAL MILITIA MAY SOON SEEK TRAINING SHIP

Students of Situation Believe
Smaller Type of Boat
Best Here

That Hawaii's territorial naval militia will be sufficiently organized within a few months' time to warrant requesting the federal government to send a training ship here, is the belief of officers and men of the organization. The request, when made, will reach the federal authorities through Governor Pincham.

Considerable discussion has arisen here among those interested as to what type of ship should be asked for in the petition, and though there is a deal of grandeur about handling a big cruiser, it is generally felt that such a ship would not be suited for the local militia.

On the other hand a small vessel, such as a torpedo boat destroyer, would be a very suitable means of cruising about these waters. Instead of being tied up for the greater part of each year to be used only for drill work of the stationary sort it could be used for several cruises of short duration during the twelve months.

It is felt that an oil burning vessel would also be looked on with favor here rather than a coal burning boat, but students of the situation point out that the prime requisite would be a vessel of not too large proportions.

Though no commander has been chosen yet for the sailor militia, equipment is coming gradually and being put to good use. Already the navy white and blue uniforms have been received and early last week were worn in downtown streets for the first time.

In addition to the uniforms there are 120 rifles and a similar number of belts, bayonets and canteens. The officers at present are as follows: Executive officer, Lieut. Richard E. Lambert; surgeon, William C. Hobdy; paymaster, Cyrus D. Bishop; ensign, 1st division, William H. Stroud; lieutenant, second division, John A. McKeown; ensign, Leslie W. Branch.

BRONCO BUSTING WILL BE STAGED BY 4TH CAVALRY

Bronco busting of the real old Wild West type will be demonstrated soon by boys of the 4th Cavalry, Schofield Barracks, upon the score or so of Hawaii ponies that have just been purchased by Lieut.-col. J. B. Houston of the Quartermaster Corps. The horses are expected at any time now, and cavalrymen versed of old in the lore of the range are looking forward with eagerness to the coming events. Good riders are not scarce in the 4th Cavalry, and it is safe to say that the wiry ponies, fresh from the grass-clad foothills of Mauna Kea will be ridden "straight up" and without any pulling of leather. The horses are to be shipped on Inter-Island steamers to this port. Besides the horses for cavalry purposes nearly a score are also expected for the field artillery at Schofield Barracks.

K BOATS WILL CRUISE TO LAHAINA IN JUNE

About June 1 the four submarines of the third division, the K-3, K-4, K-7 and K-8, will leave their Pearl Harbor base for a cruise to Lahaina, Maui, and return, accompanied by the submarine tender Alert.

The K-4 is in drydock here today, having her bottom cleaned and painted. The division will be stationed in and around Lahaina for a month for target practice and sea maneuvers.

Robert Beckerman, a sailor from the K-4, is in the department hospital at Fort Shafter today, recovering from a fall of 12 feet from a stage on the drydock Saturday, where he was busy working on the ship's hull. He received a sprained shoulder and was generally shaken up. The man is doing finely, the hospital reported today, and should be out in a few days.

COMPANY A TO DBILL TONIGHT FOR CONTEST

Company A, 1st Infantry, N. G. H., will turn out tonight at 7:30 o'clock for drill, preliminary to the military contests to be held next Sunday at the Capitol grounds. Capt. Henry P. O'Sullivan is very anxious that a large number of men report tonight, as these preliminary drills are very important.

NEW BUILDING READY
AT KAMEHAMEHA SOON

Of the five new buildings at Fort Kamehameha to be used as quarters for officers the first will be completed within a month, according to officers at the quartermaster's department today. The new buildings will be modern in every detail, and adapted especially to the Hawaiian climate. Work on the new barracks at Fort De Russy is progressing well.

GOLD DUST PAIR WIN FIRST PRIZE AT MASKED BALL

Gold Dust Twins, Charlie Chaplin, Sailor Suffragettes, Native Flower Girls, and Yama Yamas by scores, together with more than a hundred other varieties made up the dancers in the mask ball at the armory on Saturday night.

Beyond a doubt the dance was the most successful of the benefit series yet held there, both in numbers and in excellence. From 500 to 600 persons attended, and most of them danced. Music furnished by the Royal Hawaiian Glee Club proved highly enjoyable, and made for much of the success of the evening.

Sergt. Bruce W. Shelton, who had charge of the affair, is highly pleased with the results of the dance. The next dance is to be given May 20.

Two girls, dressed as the original "Gold Dust" twins, won the prize, which was an immense box of candy. A Charlie Chaplin who paraded throughout the evening was considered by many as a close contender for first honors.

WILL WED OFFICER OF BRITAIN'S ARMY

Announcement of the engagement of Miss Sylvia Wilder of Washington and Lieut. Alvy Gascoigne of the British army has just been made at the national capital. Miss Wilder is a daughter of Col. Wilbur Elliot Wilder, formerly commander at Schofield Barracks, and is well known to Honolulu's society set. Lieut. Gascoigne is now with the British army in Flanders. It is planned that the wedding shall take place in Washington next autumn.

ORDERS OF THE HAWAIIAN DEPT.

Pursuant to instructions from the war department, Quartermaster Sergeant Joseph D. Novotski and Pvt. Victor L. Hill, Adam A. Janowski and Fred F. Robertson, Company H, 1st Infantry, will be sent to Fort McDowell, Cal., on the first available transport for discharge on account of moral degeneracy.

AUTO ACCIDENT VICTIMS KNOWN BY MANY HERE

With both relatives and friends of the army officers who were killed and injured at Lawton, Oklahoma, in an automobile accident last Saturday, residing on Oahu, the incident has brought a spirit of sadness over the local army posts.

Lieut. Harold S. Naylor, who was killed, was a brother of 1st Lieut. Charles J. Naylor of the 4th Cavalry, Schofield Barracks, and 2nd Lieut. John E. McMahon, 3rd Field Artillery, who was injured, is a son of Lieut. John E. McMahon, 1st Field Artillery, at the same post. Lieut. Naylor was well known in Honolulu as a polo and golf player. He left here about six months ago. He was 33 years of age and is survived by a widow and two small daughters.

Young McMahon is a student officer at the military school, Fort Sill, Oklahoma. Lieut. E. E. Pritchett, 5th Field Artillery, who was killed in the accident passed through here on his way from the Philippines in February. He leaves a widow and three small daughters. Richard C. Scott, 4th Field Artillery, the fourth member of the party, was also seriously injured.

Mrs. Naylor is the daughter of Col. William A. Simpson, and Mrs. Pritchett is the daughter of Col. John A. Lundeen, C. A. C.

The Lieut. Scott referred to in the telegraph dispatches is probably 2nd Lieut. Richard C. Scott, 4th Field Artillery.

Col. McMahon received a telegram yesterday morning from Lieut.-col. E. F. McGlacklin, 5th Field Artillery, Fort Sill, informing him that the report that Lieut. McMahon had been killed was incorrect and that his son was only moderately injured. Lieut. Scott is seriously injured.

Col. McMahon called for more details.

Fort Shafter Notes

[Special Star-Bulletin Correspondence]
FORT SHAFTER, May 8.—On account of the heavy winds and rain last week at the fort the troops on the target range were unable to get

but little practice at shooting and on several occasions were forced to return to the barracks before the scheduled time. However, today weather conditions were more favorable and the work commenced in earnest.

The dance given by Col. F. W. Mansfield Camp No. 8, U. S. War Veterans, at its hall on Friday evening was well attended considering that it was such a rainy night. About 100 were present and all had a most delightful evening. The Pall Glee Club furnished the music for the dancing and it was after midnight before the guests departed. Delicious refreshments were served during the evening. These dances are growing in popularity with the enlisted men and each dance finds an ever increasing attendance, for a most pleasant evening is always given to everyone.

Upon the recommendation of the commanding officer, Company A, 2nd Infantry, Lance Cpl. James W. Gulley has been appointed corporal, vice Goodwin, furloughed and transferred to the army reserve.

A telegram has been received at the fort from the department commander directing all post commanders to grant enlisted men of their commands whose services can be spared permission to participate on Decoration Day, May 30, in the memorial services to be conducted in Honolulu under the auspices of the George W. De Long Post, Grand Army of the Republic.

Capt. Edwin S. Hartshorn, 2nd Infantry, has been detailed on the general court martial as a member, relieving Capt. Edward A. Hickman, Signal Corps. This is due to the fact that Capt. Hickman has been detailed by the war department to inspect the company of the Signal Corps, National Guard of Hawaii.

Upon the recommendations of their respective company commanders, the following promotions have been made at the Fort: In the Machine Gun Company, Crpl. Richard Stockton, to be sergeant, vice Pain, furloughed and transferred to the army reserve. Pvt. Neil A. Twamsley, to be corporal, vice Stockton, promoted.

In Company B, Pvt. Harry T. Newman, to be corporal, vice Stauffer, reduced.

In Company H, Cpl. William Hayes, to be sergeant, vice Kearney, appointed first sergeant.

In Company K, Cpl. John Lee, to be sergeant, vice Hallparn, transferred. Pvt. John H. Williams, to be corporal, vice Lee, promoted.

SUPERIORITY
of
**Adams Paint
Brushes**

of which we carry a very large assortment. We have always largely carried the Adams line, believing that it stood for quality. We now carry them more extensively than ever.

We have carefully revised our line and discarded every brush that was out of date and added the strongest and newest examples of modern brush making.

Every brush we carry has been considered carefully as to its merits with the idea of having the strongest and most complete line of brushes in Hawaii.

We invite you to examine our brushes.
